

WARRANTY CERTIFICATE

To whom it may concern,

Southern Valve & Fitting USA, Inc. (SOVAL) warrants SOVAL Brand 826 Series Ductile Iron Lever and Weight Check Valve to be free from defects in materials and workmanship under normal use and service for a period of 1 year, as long as the original owner owns this product. In the event that any defect occurs which the owner believes is covered by this warranty, the owner should immediately contact SOVAL Technical Services, either in writing or by telephone at 305-757-8455. The owner will be instructed to return the said product, at the owner's expense, to SOVAL or contact an authorized representative for inspection. In the event said inspection discloses to SOVAL's satisfaction that said valve is defective, it will be replaced at SOVAL's expense. This warranty does not cover any damages or other defects that may result from improper or abnormal use or installation of the valves.
